

PARKING LOT PROCEDURES

PARKING

1. Please park in designated VISITOR spots only.
2. We have three fifteen-minute drop-off spots. These spots are ideal for dropping off lunches, picking up students from the health office, etc. If volunteering, please keep these spots available for those who are just running into the office.
3. Handicap parking is available provided you have a placard. Please do not use these spots for drop-off if you do not have the appropriate.
4. Drop-off zones and fire lanes have a purpose...please keep these areas free from parked cars
5. NEW THIS YEAR - the upper playground will be available for overflow parking each morning, but please note that you will need to be off the playground when the tardy bell rings as the gates will be locked at 8:25 (except on Flag Deck Fridays when the gates will be closed 5 minutes after Flag Deck ends.)

DROP-OFF

1. Pull forward to drop off. Please remain in the car until you are in the appropriate drop-off zone before allowing your child to exit the car. Drop-off zones are located in the following areas:
 - a. Upper parking lot - near the stairs to the main office.
 - b. Goldenrod turn-out - near the top of the curve past the entrance gate
2. Please have your child(ren) exit to the right (passenger side only).
3. Drivers need to remain in the car. If your children's belongings are in the trunk, we are happy to unload them for you.
4. Drivers should remain with their cars the entire time they are in the drop-off zone.
5. If walking your child onto campus from Goldenrod or Harbor View, please use caution and use appropriate crosswalks.

PICK-UP

1. Pull forward to pick-up. Students will be loaded in loading zones only. Pick-up zones are located in the following areas:
 - a. Upper parking lot - near the stairs to the main office.
 - b. Goldenrod turn-out - near the top of the curve past the entrance gate.
2. Please have your child(ren) enter to passenger side only.

3. Drivers should remain with their cars the entire time they are in the pick-up zone.

GOLDENROD GATE

1. Please note that the Goldenrod entrance is for loading and unloading only. If you need to enter through the Goldenrod gate, you will need to park on the street and not in the turnout.
