Coaches set up tennis nets on your school blacktop to create kid-sized tennis courts

- Class is canceled on rain days and will be made up.
- Students meet coach on the blacktop when they are released from school where there will be Tennis nets set up. Babysitting is not included after class and parents are charged \$1 per minute for time spent babysitting after class ends. Parents pick-up on the Playground.
- Class is grouped by grade. Kids learn & improve at their own level and will gain self esteem through athletic success. Coaches provide all equipment including tennis nets, little racquets, beginner balls, and the BJ King Eye Coach. All players will learn professional quality skills, play group games, improve Point of Contact on The Eye Coach, start to rally and have fun learning a sport they can play for a lifetime!
