

# Lap Counter Instructions

- Plan to arrive to the classroom 20 minutes before your class's scheduled time.
- Select one LEAD LAP COUNTER responsible for collecting all tally sheets at end.
- Help students pin lap tally sheets on their backs. Extra tally sheets will be at the JAT central tables, if needed.
- Select a lei (yellow, orange, pink or green) and get a Sharpie (leis and sharpies will be in tally sheet Manila envelope.)
- **DO NOT LAP COUNT FOR YOUR OWN CHILD**
- There will be extra lap counters at the track, if needed.
- 10 minutes before your class's scheduled time escort the students to the track's entrance.
- Proceed to the warm up area. Parents will be there to warm up the students.
- At your run time, bring students with the tally sheets that correspond with your lei color to the chair on your track with that color.
- Students will run for 10 minutes in one direction. Students will have a water/Gatorade break, and then run in the other direction for 10 minutes.
- As every student arrives at your station mark a line on their lap tally sheet.
- At the end, escort students to the water/Gatorade station near the exit.
- Remove lap tally sheets from students back.

## LEAD LAP COUNTER

- Tally each students laps and write their total at the bottom of the sheet.
- Write the total laps for each student next to their name on the outside of the envelope.
- Place tally sheets, sharpies, leis into the envelope and return the envelope to the JAT central tables
- **And of course cheer for the kids! More laps = more \$\$**
